GSI Group promotes Williams

Assumption, IL — October 17, 2007 — Chelbi Williams has been promoted within the Grain Division as a Pricing Analyst supporting the product management effort. Chelbi's familiarity with the GSI product line, relationship with the distribution channel and support of the grain strategy efforts put her in an excellent position to add value in this new role.

Chelbi will be responsible for identifying, managing and resolving price issues within the various product families. Her initial focus will be on supporting new product pricing as well as cataloging competitive price data to support market strategy.

Chelbi most recently held the position of Account Manager within the Order Management Team for Grain.

The GSI Group is a manufacturer and worldwide supplier of grain storage, drying, conditioning, and handling equipment, poultry and swine production equipment, heating and ventilation systems for poultry, swine, and dairy barn applications, and more.
