GSI Group, Inc. Announces New Vice President

Assumption, IL — September 24, 2007 — GSI Group has appointed Mike Kleppinger as the Vice President, Market Development. In this role Kleppinger will lead the sales team for export sales and a renewed focus on major key domestic and international accounts.

Kleppinger started his professional career as a member of the United States Air Force specializing in signal intelligence. He went on to gain valuable experience at an executive level in Marketing, Business Development, Strategic Account Development, Sales, Product and Project Management. A few of these responsibilities included the development, delivery, and servicing of Material Handling Equipment at Bell & Howell as well as Integrated Justice and Homeland Security software development at VisionAIR.

Kleppinger earned a Bachelor of Science in Business Administration degree from North Carolina Wesleyan College and a Masters of Business Administration degree from Campbell University.

GSI Group, Inc. is a manufacturer and worldwide supplier of grain storage, drying, conditioning, and handling equipment, poultry and swine production equipment, heating and ventilation systems for poultry, swine, and dairy barn applications, and more.
